"We invented wine by the glass in 1976 at the original Duke's Bar & Grill in the lower Queen Anne area of Seattle. I remember the minute that it came to me: I was sitting in the Henry Africa's restaurant in San Francisco drinking a Chablis. It struck me all of a sudden that we should offer great tasting wine, not just jug wine that you could only order by the bottle. No one had done it before. And, now it's everywhere!"

A handwritten signature in blue ink that reads "Duke".
